Overview of PET Capabilities

- Novatex Limited {along with Gatron (Industries) Limited} is the only PET Resin Bottle Grade manufacturer in Pakistan, with the brand name of "Gatronova."
- Novatex produces PET Resin for Domestic & Export sales.
- Gatron produces PET Resin for in-house use in the manufacturing of PET Preforms.
- The Group is in Polymer production since 1988 and in PET Resin production since 1998.
- The total PET resin production capacity is 345,000 mt/annum, divided almost equally between Local & Export Market.
