Dear Sirs:

Re: Certain Fabricated Industrial Steel Components

Further to discussions with CBSA Investigations Officers, please find enclosed a revised Public Attachment 7: Letter from Ed Whalen to Canada Border Services Agency, dated July 29, 2016. It replaces Public Attachment 7: Letter from Ed Whalen to Canada Border Services Agency, dated July 29, 2016. The new letter provides a revised market estimate that includes MQM Quality Manufacturing Ltd.'s production as part of the "Other Domestic Producers". In light of the revised letter, references to the market share held by the Complainants and Complaint Supporters at Table 2, paragraphs 5, 105 and 366 and footnotes 27 and 234 of the Complaint should be understood to exclude MQM's production.

If you have any further questions, please do not hesitate to contact me.

Yours truly,

Drew Tyler
