CHAPTER I

OF THE OBJECT

Art. 1º This Decree regulates the application of the Special Regime of Reinstatement of Tax Amounts for Exporting Companies - Reintegra, reconstituted by [art. 21 to Art. 29 of Provisional Measure No. 651, of July 9, 2014](#).

Single paragraph. The Reintegra aims to return part or in full the remaining tax residue in the chain of production of exported goods.

CHAPTER II

CREDIT

Art. 2º The legal person exporting the goods referred to in art. 3º can establish credit by applying the percentage established by act of the State Minister of Finance, on the income earned from the export of these goods abroad.

§ 1º The percentage mentioned in the **caput** may vary between 0.1% (one tenth percent) and 3% (three percent), assuming differentiation for good.

§ 2º It is also considered export sales to trading companies - ECE with the specific purpose of export to abroad.

§ 3º In the event that the export is carried out by ECE, the right to credit is conditional on the information of the legal entity producing the Export Log.

§ 4º For the purposes of the **caput**, it is understood as export revenue:

I – the value of the asset at the embarkation, in the case of direct export; or

II – the value of the bill of sale for ECE, in the case of export via ECE.

§ 5º The credit in this article:

I – 17.84% (seventeen point eighty four per cent) will be returned by way of contribution to the Social Integration Program and Civil Service Asset Formation - Contribution to PIS / PASEP; and

II – 82.16% (eighty two and sixteen per cent) will be returned under the Contribution to Social Security Financing - Cofins.

§ 6º The credit amount determined pursuant to this article shall not be counted in the contribution calculation base for PIS / PASEP, Cofins, the Income Tax of – IRPJ and Social Contribution on Net Income – CSLL.

CHAPTER III

OF GOODS CONSIDERED

Art. 3º The credit calculation under Reintegra be allowed in export and cumulatively:

I – has been industrialized in the country;

II – is classified in code Tax Incidence Table on Industrialized Products – [Tipi, approved by Decree No. 7.660, of December 23, 2011](#), and listed in the Annex to this Decree; and

III – has total cost of imported inputs not exceeding the limit percentage of the export price, this limit set out in Annex.

§ 1º For the purposes of item I of the **caput**, it is considered industrialization under the tax legislation on Industrialized Products – IPI, the operations of:

I – transformation;

II – processing;

III – assembly; and

IV – renovation or reconditioning.

§ 2º For the purposes of sections II and III of the **caput**, act of Ministers of Finance and of Development, Industry and Foreign Trade may provide for the establishment of working group in order to evaluate proposed changes in the assets of the list contemplated the annex to this Decree.

§ 3º For the purposes of Part III of **caput**:
