Subject: Request to the Canadian Border Services Agency (CBSA)
Re-Investigation of Normal Values of Potatoes

Okanagan Grown Produce Ltd is a licensed Agency of the British Columbia Vegetable Marketing Commission (BCVMC).

We are aware that the BCVMC has made a submission on January 22, 2025, to request the CBSA initiate an immediate re-investigation of the normal values and export prices of certain whole potatoes, originating in or exported from the United States of America for use and consumption in the Province of British Columbia (BC).

This submission was made on behalf of the various Agencies and all potato producers in BC.

Okanagan Grown Produce Ltd acts as the marketing Agency for the following three (3) potato producers in the province of BC.

- Mota Dhaliwal DBA Dhaliwal Green Acres Vegetable Farms Ltd
- Blair Lodder DBA Lodder Potato Farms Ltd
- Bob Dhillon DBA ProKam Enterprises Ltd

Okanagan Grown Produce Ltd has reviewed the submission and agrees that a re-investigation of the normal values and export prices is overdue and ought to be undertaken by the CBSA as soon as possible.

We also support the request that retroactive duties be assessed for past importations and that this would be appropriate for all the circumstances provided.

Yours Truly
