

## China Nonferrous Mining Industry (Stock Code: 01258.HK on the Hong Kong Stock Exchange)

The controlling shareholder of the company is China Nonferrous Metal Mining Group Co., Ltd. (hereinafter referred to as "China Nonferrous Metal Group"). It is a large central (Chinese state-owned) enterprise directly under the State-owned Assets Supervision and Administration Commission (direct management). It is engaged in the development of non-ferrous metal mineral resources and construction projects in China and overseas, and related trade and technical services. It is also the overseas platform for China Nonferrous Metals Group to develop copper and cobalt resources.

We are a leading copper producer with abundant high-quality copper and cobalt reserves and resources in Zambia. We have a vertically integrated industrial chain covering copper product mining, mineral processing, hydrometallurgy, pyrometallurgy and sales. We are the only company with overseas copper smelters. Chinese enterprises.
