

NON-CONFIDENTIAL STATEMENT

Nature of information deleted in the non-confidential version and reasons for designating information as confidential.

Section 1 – Answers to the questionnaire

A) Explain briefly the nature of the confidential information removed in your non-confidential version response to the questionnaire requests:

Two photographs of Specialized Prefabricated Process Units (SPPU) have been removed from the public version.

B) Provide reasons why you request that the information be treated confidential:

Photographs of SPPU show specific pieces of equipment that is specialized for the Biofuel facility's design.

Section 2 – Appendices, Attachments and Supporting Documents

A) Explain briefly the nature of the confidential information in appendices, attachments and supporting documents, removed in your non-confidential version:

The Ethanol Cellulosique Varennes (ECV) Waste to Bio FUEL Processing Facility document has been removed.

B) Provide reasons why you request that the information be treated confidential:

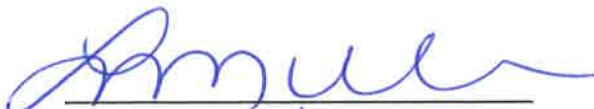

The Ethanol Cellulosique Varennes (ECV) Waste to Bio FUEL Processing Facility document contains detailed confidential information regarding how the biofuel facility processes waste as well as the specifics on the equipment that is used in building the facility.
