

Section IV

**PREPARED FOODSTUFFS; BEVERAGES, SPIRITS AND VINEGAR;
TOBACCO AND MANUFACTURED TOBACCO SUBSTITUTES**

Note.

1. In this Section the term "pellets" means products which have been agglomerated either directly by compression or by the addition of a binder in a proportion not exceeding 3% by weight.

Chapter 16**PREPARATIONS OF MEAT, OF FISH OR OF CRUSTACEANS,
MOLLUSCS OR OTHER AQUATIC INVERTEBRATES****Notes.**

1. This Chapter does not cover meat, meat offal, fish, crustaceans, molluscs or other aquatic invertebrates, prepared or preserved by the processes specified in Chapters 2 or 3 or heading 05.04.
2. Food preparations fall in this Chapter provided that they contain more than 20% by weight of sausage, meat, meat offal, blood, fish or crustaceans, molluscs or other aquatic invertebrates, or any combination thereof. In cases where the preparation contains two or more of the products mentioned above, it is classified in the heading of Chapter 16 corresponding to the component or components which predominate by weight. These provisions do not apply to the stuffed products of heading 19.02 or to the preparations of heading 21.03 or 21.04.

Subheading Notes.

1. For the purpose of subheading 1602.10, the expression "homogenised preparations" means preparations of meat, meat offal or blood, finely homogenised, put up for retail sale as infant food or for dietetic purposes, in containers of a net weight content not exceeding 250 g. For the application of this definition no account is to be taken of small quantities of any ingredients which may have been added to the preparation for seasoning, preservation or other purposes. These preparations may contain a small quantity of visible pieces of meat or meat offal. This subheading takes precedence over all other subheadings of heading 16.02.
2. The fish, crustaceans, molluscs and other aquatic invertebrates specified in the subheadings of heading 16.04 or 16.05 under their common names only, are of the same species as those mentioned in Chapter 3 under the same name.

Supplementary Note.

1. "Specially defined mixtures" of tariff items Nos. 1602.31.11, 1602.31.92, 1602.32.11 and 1602.32.92 means chicken or turkey or a product containing chicken or turkey, wherein 13% or more of the total weight of the product is comprised of goods other than the following: chicken, turkey, bread or breading, batter, oil, glazing, other coatings and bastes, and any added water (including that used in marination, glazing, other coatings, bastes, breading and batter). For the purposes of this definition, the weight of all ingredients shall be taken from the product specification sheets for that product required under the *Meat Inspection Act* for product labelling purposes.
